**Whereas**, during this special recognition ceremony, The Newberry Group, Incorporated, of St. Charles, will be honored for the contribution it makes to Missouri's economic development; and

**Whereas**, The Newberry Group, Incorporated, is an information technology and systems consulting, recruiting, and staffing firm with gross revenue of \$18 million in 2004; and

**Whereas**, The Newberry Group, Incorporated, is a minority, female, veteran-owned company in a primarily male-dominated technology field that has successfully grown since its start in 1996; and

**Whereas**, Brenda Newberry, President and CEO of The Newberry Group, combined her more than twenty years of experience in computer network and systems software with a propensity for teaching and a nose for business; and
